# RISK FACTORS

**IN EVALUATING THE POTENTIAL AND SUITABILITY OF AN INVESTMENT IN THE SUB-FUND, CAREFUL CONSIDERATION SHOULD BE GIVEN BY PROSPECTIVE INVESTORS TO THE RISK FACTORS SET OUT IN THE PROSPECTUS.**

**IT IS RECOMMENDED THAT PROSPECTIVE INVESTORS CONSULT THEIR OWN ADVISORS ON LEGAL, TAX AND FINANCIAL ISSUES THAT ARE RELEVANT FOR THEIR SPECIFIC SITUATION, AS THE INFORMATION HEREIN SHOULD BE REGARDED AS GENERAL INFORMATION.**

**INVESTMENT IN THE SUB-FUND SHOULD BE REGARDED AS A LONG TERM INVESTMENT. THERE CAN BE NO GUARANTEE THAT THE INVESTMENT OBJECTIVE OF THE SUB-FUND SET OUT HEREIN WILL BE ACHIEVED.**

## ***Specific Risk Factor - REITs***

REITs are generally classified as equity REITs, mortgage REITs or a combination of equity and mortgage REITs. The Sub-Fund will not invest directly in equity or mortgage REITs but will seek to gain exposure to REITs via UCITS-eligible ETFs and/or Collective Investment Schemes. Equity REITs invest the majority of their assets directly in real property and derive income primarily from the collection of rents. Equity REITs can also realize capital gains by selling properties that have appreciated in value. Mortgage REITs invest the majority of their assets in real estate mortgages and derive income from the collection of interest payments. Investing in REITs involves certain unique risks in addition to those risks associated with investing in the real estate industry in general. An equity REIT may be affected by changes in the value of the underlying properties owned by the REIT. REITs are dependent upon the skills of their managers and are not diversified. REITs are generally dependent upon maintaining cash flows to repay borrowings and to make distributions to shareholders and are subject to the risk of default by lessees or borrowers. REITs whose underlying assets are concentrated in properties used by a particular industry, such as health care, are also subject to risks associated with such industry. REITs are also subject to interest rate risk. When interest rates decline, the value of a REIT's investment in fixed rate obligations can be expected to rise. Conversely, when interest rates rise, the value of a REIT's investment in fixed rate obligations can be expected to decline. REITs may have limited financial resources, may trade less frequently and in a limited volume and may be subject to more abrupt or erratic price movements than larger company securities.

# GENERAL INFORMATION

## The Rights of Shareholders

The rights of Shareholders are stated in the Memorandum and Articles and in the Companies Act, and include (inter-alia) the right to receive notice of, and to attend and to vote at, general meetings of the Company.

The holders of the Founder Shares shall have the exclusive right to appoint one Director. Any changes to the name of the Company shall also be decided exclusively by the holders of the Founder Shares. The Founder Shares do not carry a right to participate in any dividends or other distributions of the Company or in the assets of the Company on a winding up (other than to the surplus, if any, that may remain after payment of all amounts due to creditors and holders of the Investor Shares). Other than what is stated above, the holders of the Investor Shares shall have full voting rights in respect of matters requiring the approval of Shareholders. In this regard, the Investor Shares in the Sub-Fund carry the right to one (1) vote per share at general meetings of the Company.

The Investor Shares entitle Shareholders to participate in the movements, both positive and negative, in the value of the assets of the Sub-Fund as well as the receipt of dividends as set out hereunder.

## Share Capital and Accounts

All amounts received by the Company on the issue of Investor Shares, initially and subsequently, will be credited as share capital of the Company and will form part of the NAV of the Sub-Fund. Separate accounts are kept for the assets of the Sub-Fund.

## Fractional Shares

Fractional Shares will be issued up to four (4) decimal places.

## Shares in Other Sub-Funds of the Company

The Company is constituted as a multi-fund investment company with variable share capital. As of the date of this Offering Supplement, the Company is offering Investor Shares in other sub-funds. The Company may establish more sub-funds in the future.

## Dividend Policy

The Directors reserve the right to pay dividends at any time if they consider that a payment of a dividend is appropriate.

## Sub-Fund Expenses

The fees and expenses incurred in connection with the establishment of the Sub-Fund, the application for licensing of the Sub-Fund, the preparation and publication of the Offering Supplement and all legal costs and out of pocket expenses in relation thereto shall be borne by the Company.

## Taxation

The Sub-Fund qualifies as a non-prescribed fund in terms of the Income Tax Act (Cap. 123, Laws of Malta) in view of the fact the value of the Sub-Fund's assets situated in Malta amount to less than eighty five per cent (85%) of its total assets. The Company has made a declaration to such effect in respect of the Sub-Fund and it is the Company's intention to maintain such a classification.

#### *Taxation of the Sub-Fund*

As a non-prescribed Fund, the Sub-Fund is exempt from Maltese income tax on any income and capital gains. Capital gains, dividends, interest and any other income from foreign securities held by the Sub-Fund may, however, be subject to tax imposed by the country of origin concerned and such taxes will not be recoverable by the Sub-Fund or by its Shareholders.

Fees chargeable to the Sub-Fund may also be subject to Value Added Tax ("**VAT**") in accordance with applicable law. If any VAT is charged, this will not be recoverable by the Sub-Fund.

#### *Taxation of Shareholders*

Capital gains realised by Shareholders who are not resident in Malta are not subject to tax in Malta. Capital gains realised by Malta resident Shareholders on a redemption, transfer to third parties or exchange of Investor Shares are treated as follows:

- (a) Malta resident Shareholders may opt to be subject to a fifteen per cent (15%) final withholding tax which shall be deducted at source by the Sub-Fund on any capital gains realised by Shareholders. Alternatively, Shareholders may opt to receive any capital gains without deduction of tax in which case they would be bound to declare such capital gains in their income tax return and would be subject to tax at their personal rate.
- (b) In case of transfers to third parties, the transferor is obliged to declare any capital gains in his income tax return and pay tax at his personal rate. Any capital gains on an eventual redemption will be calculated without reference to any intermediate transfer.
- (c) Capital gains arising from the exchange of shares from one sub-fund of the Company into another are only taxable when the new shares are eventually disposed of and, at that stage, any gains or losses arising from exchanges of shares will be taken into account in the computation of any taxable capital gains upon disposal.

The tax treatment of dividends distributed by the Sub-Fund, whether these are reinvested or otherwise, depends on the income tax status of the particular Investor and on the Sub-Fund's income tax accounts out of which the dividends are distributed as set out hereunder:

- (a) The distribution of profits from dividends received by the Sub-Fund out of the Maltese Taxed Account or the Foreign Income Account of other Maltese companies do not attract any further tax in the hands of Investors.
- (b) The distribution of other profits (including foreign sourced profits) to Malta resident Shareholders (other than companies), or to non-resident Shareholders (including non-resident companies) who are owned and controlled by, directly or indirectly, or who act on behalf of, persons who are ordinarily resident and domiciled in Malta, are subject to a fifteen per cent (15%) withholding tax. Shareholders are not required to declare such dividends in their income tax returns. However, they are entitled, depending on their personal circumstances, to declare such dividends in their income tax return and claim a credit of the fifteen per cent (15%) tax withheld.
