

Fund Information
Investment Objective

The investment objective of the Sub-Fund is to endeavour to maximise the total level of return for investors through investment, primarily, in a diversified portfolio of equity securities. In seeking to achieve the Sub-Fund's investment objective, the Investment Manager will invest at least 80% of its assets in equity securities.

The Euro Equity Fund invests in Blue Chip companies trading on major European markets. Blue Chip companies are known to weather downturns and operate profitably in the face of adverse economic conditions, which help to contribute to their long record of stable and reliable growth. The Investment Manager may invest up to 10% of the assets of the Sub-Fund in small-cap issuers.
