EMERGING MARKET BOND FUND

EXPLORE THE EMERGING WORLD

The CC Emerging Market Bond Fund is designed to maximise the total level of return for investors, by investing in a well-diversified portfolio of corporate and government bonds, with a particular focus on emerging market bond issuers. This fund is ideal for people with a medium to high risk appetite.

The fund invests, primarily in Bonds with maturities of 10 years or less, rated “BBB+” to “CCC+” by S&P, or in bonds determined to be of comparable quality by the Investment Manager.

Receive or re-invest income

You can choose to receive income every 6 months, or to automatically reinvest dividends.

Multiple currencies available

The fund is available in both Euro and Dollar.

Long Term Investment

To maximise this fund's benefits investors should consider the CC Emerging Market Bond Fund as a medium to long term investment. Although you can sell this fund at any time, it is preferable to hold this fund for a minimum of 3 years.

Experienced Management

This fund is managed by a team of experienced, knowledgeable investment managers who proactively manage the fund, with the goal of providing you with enhanced returns via Emerging Markets.
