

Fund Information
Investment Objective and Policies

The Fund seeks to provide stable, long-term capital appreciation by investing in a diversified portfolio of local and international bonds, equities and other income-generating assets. The Investment Manager shall diversify the assets of the Fund among different assets classes. The manager may invest in both Investment Grade and High Yield bonds rated at the time of investment at least "B-" by S&P, or in bonds determined to be of comparable quality, provided that the Fund may invest up to 10% in non-rated bonds, whilst maintain an exposure to direct rated bonds of at least 25% of the value of the Fund. Investments in equities may include but are not limited to dividend-paying securities, equities, exchange traded funds as well as through the use of Collective Investment Schemes.
