WHAT IS THIS PRODUCT?

TYPE UCITS

TERM • This product has no maturity date.

- OBJECTIVES
- The Sub-Fund aims to deliver a return over and above that of the MSCI All Country World Index in Euro.
 - the Investment Manager will invest in a flexibly managed portfolio of equities invested around the world, with the aim of delivering a return superior to that of the MSCI All Country World Index in Euro. The Investment Manager shall invest primarily in a diversified portfolio across a wide spectrum of industries and sectors primarily via equities and eligible ETFs.
 - The Investment Manager may invest in these asset classes either directly or indirectly through UCITS Funds and/or eligible non UCITS Funds.
 - We may use financial derivative instruments such as options, futures and forwards for hedging purposes but not for speculative purposes. Other than in relation to these hedging instruments, the Sub-Fund will not be leveraged.

The Fund is actively managed by reference to MSCI All Country World Index in Euro.

Management Discretion: The Investment Manager has the discretion to buy and sell investments on behalf of the Sub-Fund within the limits of the Objective and Investment Policy.

Currency: The Shares in the Sub-Fund are denominated in Euro.

Buying and Selling Shares: You can buy and sell Class A (Accumulation) Investor Shares (this "Class") the third Business Day of every calendar week and such other Business Day as the Directors may from time to time determine.

Distribution Policy: This Class is an accumulator class so the income from investments held for the Class will not be paid out as dividends. Instead, income will be re-invested and reflected in the value of the Shares.

Target: the fund targets MSCI All Country World Index in Euro.

Long-term investment: You should consider Shares in the Sub-Fund as a long-term investment. Since Entry Charges (see below) are deducted from your subscription amount, if you sell your Shares before the price of the Shares increases / dividends are paid you may receive less than the amount invested.

The Sub-Fund's depositary bank is Sparkasse Bank Malta plc. The Sub-Fund's assets and liabilities as well as its legal liability are segregated from other Sub-Funds of the Company.

Further information about the Sub-Fund can be found in the Prospectus and related Offering Supplement as well as the latest annual and half-yearly financial reports. Copies can be obtained along with other information, such as NAV prices, by contacting the Fund Administrator (CC Fund Services (Malta) Limited) or the Investment Manager or from the website www.cc.com.mt. Information about other share classes can be obtained from the Offering supplement available on www.cc.com.mt.

The fund's return is determined by the increase or decrease in value of the holdings in which the Fund invests during the holding period.

INTENDED
RETAIL
INVESTOR

This fund may be suitable for investors who plan to hold their investment for at least 5 years and who understand that the money invested in the fund may both increase and decrease in value and that it is not certain that the entire capital invested can be returned. Investing in the Fund does not require any specific prior knowledge or experience of UCITS or financial markets.
