

Investment Objective and Policies

The Fund, through active management, seeks to achieve capital growth. In pursuing this objective, the Investment Manager shall primarily invest at least 51% of the assets in transferable securities across a wide spectrum of industries and sectors and with no geographical bias. Also, the Investment Manager shall invest more than 10% of the Sub-Fund’s assets in the Italian market and may, from time to time, invest in FDIs such as options, forwards, futures and/or swaps linked to equities, equity indices, bonds, and currencies. FDIs may be used for investment purposes or for hedging and efficient portfolio management purposes.

\*\* Returns quoted net of TER. Entry and exit charges may reduce returns for investors.

\*\*\* The Annualised rate is an indication of the average growth of the Fund over one year. The value of the investment and the income yield derived from the investment, if any, may go down as well as up and past performance is not necessarily indicative of future performance, nor a reliable guide to future performance. Hence returns may not be achieved and you may lose all or part of your investment in the Fund. Currency fluctuations may affect the value of investments and any derived income.
